

Lexmark XL Series: Color Laser Printers and MFPs

No premium for color toner

Color. It's what your customers crave. But if they print a lot in color, the cost of supplies can be hard to swallow. Lexmark has a solution that lets high-volume workgroups print in color without worrying about the cost of consumables. The Lexmark C782 XL family of color laser printers and the multifunction Lexmark X782e XL combine the power of color with unique cartridge pricing to help your customers save money and time.
