

Trusted performance, enhanced for what's next

Smart 6 in. printing solutions to replace the 220Xi4

This is your opportunity to show your customers the benefits of advancing to Zebra's next generation of printers. You help them maintain the reliability they value while giving them modern tools to work even better every day. Lead the way with the ZT620 and ZT421 and grow your business by keeping customers moving forward with confidence.

Customer conversation starter

"You've trusted your 220Xi4 for years, and now it's time to transition with ease. The Zebra ZT620 and ZT421, 6 in. printers, deliver the same dependable performance with modern features. Thanks to Link-OS, you can rotate your 8x6 label format right on the color touch display; no code changes required. It's that simple."

Legacy model

220Xi4

- End of sale Feb. 2026
- No direct replacement

Replacement options

ZT620

- 6.6 in. print width
- Color touch display
- Mission critical operation
- High duty cycles
- Harsh environments

ZT421

- 6.6 in. print width
- Color touch display
- Ease of operation
- Moderate duty cycles
- Mid-range option

Advantages of ZT Series 6 in. printers

- **Lower operating cost:** Less media, reduced spend
- **Smaller footprint:** Saves space, better fit
- **Bi-fold door:** Opens in tight spaces
- **LED inside:** Clearer visibility, faster loading
- **RFID capable:** Future-ready, smarter tracking

With Zebra, your customers never lose what matters

Helping your customers through this transition means more than replacing a printer; it's about keeping their operations steady with the same peace of mind and reliability they're used to getting from Zebra. Support their transition today and strengthen your partnership for tomorrow.
