Touch Screen

Solutions

Up to 50 ppm in color and black

Duplex

Network

- The 4.3-inch color touch screen allows you to operate your printer with ease and confidence through smart and intuitive navigation, and easy access to workflow solutions and shortcuts
- Print on multiple paper types and boost total capacity up to 3,200 sheets
- Print as fast as 50 ppm in both black and color
- The Lexmark Extra High Yield Print Cartridge delivers up to 20,000* pages, reducing interventions, cartridge waste and cost
- A front USB port allows for convenient walk-up preview and printing and is compatible with most printable image file formats
- Robust output options, including a five-bin user-assignable mailbox, an offset stacker, a staple finisher and a staple with hole punch finisher available

Lexmark Solutions

Reduce unnecessary printing and simplify work processes through solutions applications preloaded on your device. Choose additional Lexmark solutions to fit your unique workflow needs.

Forms and Favorites

Eliminate waste and inefficiencies associated with preprinted forms. Store frequently printed forms, marketing materials or other documents online, then print them on demand.

Eco-Settings

Choose from multiple print settings that help reduce energy, paper and toner consumption.

Showroom

Display a customizable, scrolling slideshow on the color touch screen to promote your business or products, or to communicate important messages to your customers or employees.

Background and Idle Screen

Change the touch screen background to your corporate logo, a unique message, or select one of the four screens that are preloaded on the device.

Change Language**

Easily switch the language displayed on the touch screen – 18 common languages supported.
