Solutions

Up to 50 ppm in color and black

Duplex

Network

- The extra large 10.2-inch color touch screen allows you to operate your printer with ease and confidence through smart and intuitive navigation, easy access to workflow solutions and shortcuts
- Print and copy in duplex and scan at speeds as fast as 50 ppm in both black and color
- Easy-to-access features make it easy to print responsibly, including Eco-Mode to reduce paper and toner consumption, and the Sleep Button to help you save energy
- The front USB port allows for convenient walk-up preview, printing and scanning, and is compatible with most printable image file formats
- The Lexmark Extra High Yield Print Cartridge delivers up to 20,000* pages, reducing interventions, cartridge waste and cost
- Save time by scanning both sides of your document in one pass with robust color-scanning capabilities and an input capacity of up to 75 pages

Lexmark Solutions

Reduce unnecessary printing and simplify work processes through solutions applications preloaded on your device. Choose additional Lexmark solutions to fit your unique workflow needs.

Forms and Favorites

Eliminate waste and inefficiencies associated with preprinted forms. Store frequently printed forms, marketing materials or other documents online, then print them on demand.

Scan to Network

Scan a hardcopy document and route the image to one of 30 predefined personal or public shared network folders.

Change Language**

Easily switch the language displayed on the touch screen – 18 common languages supported.
