

Lexmark X730 Series: Color Laser MFPs

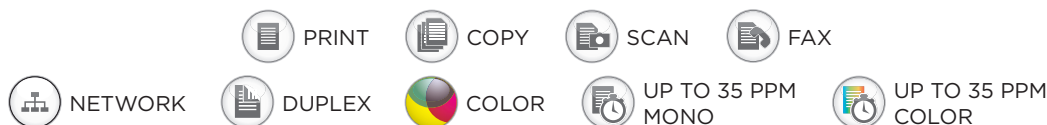

High-volume color MFPs

If you want to make an impact with color, but need the competitive advantage of multifunction efficiency too, then get to know the Lexmark X730 Series. It not only prints, copies, scans and faxes both in black and color, but also provides outstanding performance and value. You can count on speed, reliability, versatile paper handling, customized solutions and a rich range of features—all easily accessible via Lexmark's award-winning color touch screen. Experience the giant benefits of a color copier, without the giant size.

X730 Series

For midsize to large workgroups

- Print, copy, scan and fax up to 35 ppm in black and color
- Boost efficiency with rapid duplex scanning
- Get your print and copy jobs faster with the instant warm-up fuser
- Eliminate paper-intensive processes by scanning to various destinations
- Produce stunning graphics and images with Lexmark's advanced color laser toner formula
