

INTRODUCING

ET60/ET65 Enterprise Tablets

It's a rugged tablet. It's a rugged laptop. It's a rugged vehicle mount mobile computer. It's everything you need all in one tablet.

Maximize productivity and business efficiency with the business tablets that deliver more—more features, more power, more security, more ruggedness and more versatility.

Designed to handle practically everything survives more realworld tests than any other tablet in its class

A display you can see everywhere—because your workers can be anywhere

Extraordinary lifecycle—buy it for 4 years, with available support for 8 years

It's 3 devices in one—use it as a tablet, a laptop and a vehicle mount computer

Trailblazing processor powers it all—the latest wireless networks and apps

Powerful wireless connections—5G, Wi-Fi™ 6E, private 5G and CBRS*

Power it your way—standard or removable batteries, or power vehicle mounted tablets with your forklifts

Barcode scanning at its finest—standard or extended range scanning to capture barcodes as far as 40 ft./12 m away

Zebra DNA™—complimentary software tools make Zebra devices easier to use, support and manage

* Citizens Band Radio Service (CBRS) only available in the US.
