Thinner and lighter than other 2-in-1 tablets
Go wherever your work takes you with a 2-in-1 tablet that's thinner and lighter than other competitors — a difference you can feel

**Zebra ET80 and ET85
Rugged 2-in-1 Tablets**

**With You.
For You.
For Them.**

Take on any task with a reliable sidekick that helps you move beyond your limitations.

Leverage trusted technology that doesn't require workarounds but instead enables you to do your best work in the field, vehicles and wherever duty calls.

When your job calls for bold action and high accuracy, leave no room for compromise.

**Put Boundary-Pushing
Capabilities
at Your Side**

Innovated to overcome the limitations of other rugged 2-in-1 tablets, Zebra's ET80 and ET85 are thinner and lighter than comparable models and are designed to run cool and clean.

Adaptable by nature, your tablet can dock and undock in seconds, function as a push-to-talk device and even scan barcodes.

Advanced connectivity

Communicate and collaborate securely, reliably and from anywhere with support for 5G, 4G, Wi-Fi 6E, CBRS and public safety network compatibility

**11th generation CPU
from Intel and Windows® 10
operating system**

Experience powerful processing to run large programs simultaneously, stay connected and access information wherever you work

**Friction-hinge
rugged keyboard**

Achieve true laptop replacement with a detachable rugged keyboard, user selectable color backlight and six programmable buttons

**Rugged tested
at MIL-STD-810H**

Take on the day with tablets that can take on unforgiving environments — certified at IP65 with ports open

Privacy and Security

Validate users and credentials with a Windows® Hello front-facing camera for facial recognition, optional fingerprint reader and CAC Smartcard reader
