

The ET80/ET85 Windows® Rugged 2-in-1 Tablet

The lightweight and versatile tablet
created for Utility Field Operations

What makes the ET8X rugged tablets ideal for Utility Field Operations? **Everything.**

Thinner and lighter than other 2-in-1 tablets in its class

True 2-in-1 experience with rugged friction hinge and backlit keyboard

C1/D2 certified configurations available

11th Gen Intel® Core processors

Universal docking solution: dock and undock in seconds

Full-shift battery power with optional hot swap capabilities

Built-in security prevents unauthorized access

PowerPrecision+ for better battery management

12-inch anti-glare display: viewable even in bright sunlight

World class data capture capabilities with rear and front cameras and optional scanner

Faster, more reliable connectivity with 4G/5G and Wi-Fi 6E

All the accessories needed to tailor the tablet to your job

Give your field workers critical mobility with the tablet built
for critical field workers — the ET80/ET85.
