

Zebra Healthcare Solutions Empower Clinicians to Stay Connected Throughout the Healthcare Facility

“The new technology helps reduce preventable medical errors by putting devices in hands of all of our nursing caregivers. This allows them to check and make sure that they have the right patient, the right medication, at the right time and the right route every single time.”

– Amy Peters, Chief Nursing Officer,
Truman Medical Center

Zebra solutions give caregivers the tools they need to help remove unnecessary workarounds, reduce errors and improve patient outcomes from admission to discharge.

Zebra's healthcare solutions, including Zebra Workforce Connect,[™] MotionWorks[™] Healthcare and RFID solutions, support The Three Pillars of Connectivity

1 Positive Patient Identification and Safety

2 Clinical Mobility and Collaboration

3 Real-time Intelligence
