ABOUT THE MPD31D

The MPD31D is a lightweight mobile printer with enhanced performance and economical price. It can be used in manufacturing, warehouse, logistics, retail, public utilities, and healthcare.

MPD31D is a 3-inch unit which can support 1D, QR code, and image. It can also work with mobility devices.

MPD31D can support both receipt and label printing. It is compatible with black mark paper, gap label paper, seam paper, continuous paper, and lineless paper. MPD31D is small and lightweight (368g), making it easy to carry in different scenarios. It supports various intelligent terminals and PDA integration printing. It provides Android™ and IOS® to integrate with third-party terminals.

For additional information, please visit the MPD31D product page [HERE](#).
