

Upgrade to the MC3400/MC3450* and get **3 years of Ivanti All Touch TE for free!**

A ~\$200 USD value, on Zebra. This includes service and support for the whole term. With the MC3300x/MC3300ax Series end-of-sale, there has never been a better time to migrate to the next generation of mobility!

Why the MC3400/MC3450* with all-touch TE is the perfect combo

Transition your legacy apps to Android™

Migrate your green screens to Android in minutes, right out of the box—no developer or coding required.

Future-proof connectivity

With Wi-Fi™ 6E and optional 5G, the MC3400 delivers the fastest, most reliable wireless connections for any environment, inside or out.

Unbeatable scanning range

Empower workers to capture barcodes from items in hand to the top of the highest warehouse rack (over 100 ft./30.5m away) with our advanced scan engines.

The time to upgrade is now! Secure your operations for the future by migrating to the powerful, flexible, and modern MC3400/MC3450*.

* Please refer to [PMB-11832 REV B](#) for a complete list of configurations and SKUs

Triple the value

Limited time offer:

February 1–December 31, 2026

Select MC3400/MC3450 configurations will automatically include a 3-year subscription to Ivanti All-Touch TE—including service and support for the full term!

Contact your Zebra Account Manager for a full list of eligible SKUs. Offer is effective for purchases made from **February 1, 2026, through December 31, 2026.**

Instantly modernize your customers' legacy "green screen" apps into intuitive, touch-based Android interfaces.

Boost worker productivity and data accuracy with no changes to the backend systems.

Get a ~\$200 USD value, at absolutely no additional cost!
