

Title: Authorized Use of Zebra LifeGuard for Android

Description: LifeGuard for Android Usage Policies

Dear Partner,

This is a reminder that all software posted on and/or available from Zebra's LifeGuard website, including Zebra LifeGuard for Android (collectively, "Software"), is Zebra proprietary software. All end users and resellers must use the Software strictly in accordance with Zebra's policies, which include, but are not limited to, the following:

- Only end users with a valid entitlement (e.g., a warranty or a Zebra OneCare service contract) are permitted to, either directly or via their resellers, download the Software to use on eligible products covered under their warranty or service contract.
- Resellers are permitted to download and use the Software ***solely for testing and evaluation purposes in connection with a Zebra OneCare service***. Zebra grants such permission on a limited, revocable, non-exclusive, and non-sublicensable basis.
- Resellers shall not download, resell, or distribute the Software to any end user who does not have a valid entitlement.
- All other uses of the Software, including, without limitation, any resale or unauthorized distribution by resellers, constitute violations of the PartnerConnect Program Terms and Conditions, and Zebra's intellectual property rights. Zebra may at its sole discretion penalize, remove from the PartnerConnect Program, and/or take legal action against any reseller that downloads, uses, or distributes Zebra's software in violation of these terms.

Thank you for your continued collaboration and commitment to delivering exceptional value.
