SERVICE SECTION

BEST PRACTICES - PREPARING FOR SERVICE RETIREMENT

- **Plan** – Proactively plan a technology refresh. The earlier you plan, the easier it is to protect your current assets, budget for the future and adopt new technology.
- **Protect** – Purchase a service contract that will protect your mission critical assets and your bottom line by providing predictable repair costs, preventative maintenance and updates to software and firmware.
- **Extend** – Extend your current contract and manage your assets to the end of their useful life.
