Honeywell Announces Updates for LNX3 Mobile Printer With HCC Integration

We are excited to announce that the LNX3 3-inch mobile printer will now feature Honeywell Cloud Connect (HCC) integration. Based on this integration, the LNX3 mobile printer will be able to communicate with the Operational Intelligence PC gateway, enabling connectivity with Operational Intelligence and SOTI MDM. The LNX3 mobile printer, equipped with the new firmware, is now available for order and will start shipping on 20-May, 2024.
