

Workcloud Sync Task Essentials

Empower your workforce with Workcloud Sync Task Essentials, which streamlines corporate-to-store tasks by prioritising tasks and distributing them to the proper employee. Ensure that your front-line employees know what needs to be accomplished at any time, improving their productivity and driving a better experience for your customers.

Simplify Task Management for Your Front-Line

Workcloud Sync Task Essentials simplifies task execution and ensures that employees are productive and engaged.

Ensure that the most important tasks are completed by designating priority levels for each task sent to employees.

Improve on-time task completion rates by intelligently distributing tasks to each employee's list of activities.

Increase accountability by alerting managers when tasks are overdue and when tasks are completed.

Improve Employee Productivity and Efficiency

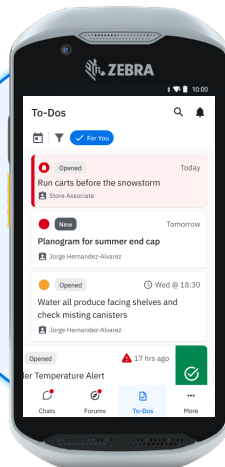

With Workcloud Sync Task Essentials, ensure that your employees always know what they need to do and when they need to do it.

Monitor Important Tasks

Designate tasks as followed or watched in order to ensure visibility into the most important tasks.

Leverage Task Templates

Simplify creating routine tasks with out-of-the-box templates for tasks and checklists.

Create Checklists

Streamline everyday activities such as store opening and closing with groups of tasks that can be checked off when complete.

Utilise A Robust Interface

Easily communicate about tasks by leaving comments and attaching images, videos, files, and more.
