

All-day, hands-free comfort

Zebra WT5400 Wearable Computer

Give your associates the hands-free flexibility and freedom they need to move inventory, stock shelves, and fill orders quickly and efficiently.

Purpose-built for retail workflows, the Zebra WT5400 Wearable Computer delivers the right features and accessories to keep your store associates connected and on task.

A balanced design and comfortable mounting options minimize fatigue while providing instant access to vital information. The bright display screen is easy to read and navigate, while fast, no-drop wireless connectivity ensures that users are always in touch.

And with Zebra DNA, your devices are easier to use, manage, maintain.
