

Streamline Printing, On-Site and On-Demand

Efficient, high-quality, large-format card printing

The ZC10L large-format card printer delivers full edge-to-edge color printing with ease, offering the flexibility to print what is needed, when it's needed, saving time and money, and reducing waste.

Convenience of on-site printing

High-speed, full-color, large-format card printer provides flexibility for special events, conferences, sports and concerts.

Save time and money by only printing what you need

Avoid waste that comes from printing bulk cards ahead of time. Issue a color badge from scratch in less than 20 seconds.

Control guest access and boost sponsor visibility

Produce vibrant images, scannable barcodes and customizable designs for VIP passes, ID cards and access control.

Last minute changes are no problem

Use CardStudio design software with the ZC10L to quickly create and print customized designs in real time.

Streamline your badge printing

The ZC10L uses a one-step printing process, eliminating the stress and cost of pre-ordering and inventorying partially printed cards.

A printer that's truly portable

Light and easy to relocate, no need to turn off ink nozzles, simply unplug and move.
