

Letting go has Never Been so Easy

Top 3 Reasons to 'Retire' the G-Series and 'Hire' the ZD Series

We've infused the quality and reliability you expect from your G-Series printers, and advanced the legacy with more connectivity, features, performance and security. Be confident that Zebra's ZD Series is ready to take on the job – and deliver above and beyond.

Here are 3 Good Reasons

1 Ready to Grow with Your Business, and Evolve with Technology

Get what you need now, and add new capabilities later with field-upgradeable features. The difference is dynamic.

Wireless, Ethernet or Serial communications

Media handling cutter or peeler/dispenser

Battery for on-the-go power

Carrying case for added portability

Mounting plate

Media locking cabinet

2 There's so Much More to Love*

Make work easier with more models to match your use case including direct thermal, thermal transfer, healthcare, linerless, ribbon cartridge and RFID.

- More ways to connect, including **USB 2.0 and USB Host**
- Printer **set up with mobile device** via BTLE
- **Easy printer configuration** with Printer Setup Utility
- **Pair with a tap** via Print Touch
- Easier and **more intuitive to use**
- **Faster print speeds**, and more performance
- Premium **300 dpi resolution** print quality

3 Unparalleled, Peace-of-mind Printer Security

ZD421 and ZD621 printers include PrintSecure, part of Zebra's exclusive Print DNA software suite, to deliver industry-leading security features.

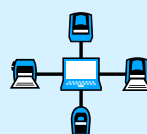

Control data exchanges with encrypted connections

Prevent unauthorized changes with Protected Mode and OS Download Control

Secure Wi-Fi™ and Bluetooth® default settings

Manage printers onsite or remotely in real time with Printer Profile Manager Enterprise

Uncover printer security vulnerabilities with the Security Assessment Wizard

Safely relocate or retire printers with Simplified Printer Decommissioning

Protect wireless printers with automated Wi-Fi Certificate Management

Expect the Best, and Experience the Best

Print Confident. Print Secure. Print Zebra. All with the ZD Series.
