GET A \$75 REBATE FOR EACH NEW PRINTER WITH THE TRADE-IN OF ANY QUALIFYING PRINTER, INCLUDING ZEBRA HC100 AND GK/GX PRINTERS

Z510-HC Wristband Printer

EASY TO USE — VIRTUALLY NO TRAINING REQUIRED

With simple installation, comprehensive connectivity options, a medical-grade housing designed to withstand repeated disinfecting, and Zebra's powerful Print DNA suite of applications, utilities and developer tools, the ZD510-HC increases staff productivity and reduces IT support requirements. Validated for use with leading Admission, Discharge and Transfer (ADT) systems, it is the easiest wristband printer to use on the market — just insert the Zebra Z-Band wristband cartridge and print.

Z-Band Ultra-Soft Wristbands

ONE OF TODAY'S MOST DURABLE WRISTBANDS

As part of Zebra's lineup of durable, direct thermal printer wristbands, the Z-Band Ultra-Soft features a silver antimicrobial coating that protects from degradation and provides resistance to a wide array of hand sanitizers. As one of the softest direct thermal wristbands on the market, the Z-Band Ultra-Soft is the easiest, most comfortable solution to ensure patient safety and staff productivity.

GO ZEBRA TRADE-IN PROGRAM

Yesterday's Tools Are No Match for Today's Healthcare Challenges

The Go Zebra Trade-In program provides cash-back rebates when you purchase qualifying printers, mobile computers, tablets, and barcode scanners and trade-in qualifying legacy devices — even other manufacturer's devices.
