

FLYER

ZD611/ZD411 COMPACT DESKTOP PRINTERS

Print Better. Print Smarter. Print Safer.

Meet Zebra's new 2-inch compact printers, built to impress

Whether you're replacing an older printer or shopping for a new solution, you need a printer that performs flawlessly year after year. That's what you get when you select a Zebra printer. No matter your application, we've got your printing needs covered.

Introducing Zebra's all-new premium ZD611 and advanced ZD411 2-inch desktop printers, engineered to deliver the

quality you expect and the security you need. Expanding the 4-inch ZD600 Series and ZD400 Series portfolios, they are available in multiple models to meet your environment and application needs, including direct thermal, thermal transfer, healthcare, linerless and RFID.

Get the features and forward flexibility your business demands to power quality printing for years.

Small Footprint, Big Performance

The features, flexibility and security you need for years of performance

Be ready for whatever comes next with printers that are built for reliable, quality printing without the hassle. Ideal for printing 2-inch-wide labels, receipts or tags, they're also powerful, connected and highly secure.

Intuitive Interface:

See status and make changes instantly via icons on the intuitive user interface or using the 4.3-inch, full-color LCD touch display*

*Available on ZD611 thermal transfer models

Redesigned Media Handling:

The thermal transfer models are newly engineered for intuitive simplicity, so you spend less time with less mess, less time loading ribbon, fewer calls to IT

Add Features Anytime:

Field-upgradeable connectivity and media-handling options give you the ability to get what you need now with room to grow, extending the longevity of your printer and your investment

On-the-go Flexibility:

Select a portable battery pack for greater mobility to print as you go

Powerful New Architecture:

More processing power to run more tasks at optimal performance, and it's engineered to evolve with technology to drive future printing

Exclusive Print DNA Software Suite:

Zebra's exclusive software suite makes Print DNA printers easy to setup, operate and manage – on site or remotely

Unmatched Security:

Unlike other brands, Zebra printers give you peace-of-mind security with PrintSecure to shield you from costly cyberattacks

MPS Capabilities:

Free up your IT department and gain control and visibility of your printer fleets with managed print services, made easy with Print DNA

A Printer You Can Trust. From a Proven Partner.

Zebra's spent the last 50 years designing printers that are reliable, hassle free and built to work for your purpose.
Invest in the best – with Zebra.
