

Get It All with Zebra's Redesigned 2-inch Desktop Printers

The ZD611 and ZD411 Series are simple to integrate, easy to operate and built to impress

Simple to Use

- Backward compatibility allows usage of existing formats and supplies
- Hassle-free media changes with the all-new media-handling design
- See status at a glance and easily make updates on the 4.3-inch color touch display*

Flexible for Many Use Cases

- Direct thermal, thermal transfer, healthcare, linerless, RFID models
- Increase mobility with the optional battery pack
- Improved sensors for virtually any media type

Print DNA Software Tools

- Easily set up, manage and secure your printers to safeguard data
- Emulations to easily replace non-Zebra printers, adding manageability and security
- Remote visibility of printers and supplies usage for easy Managed Print Services (MPS)

Advanced Features and Cutting-edge Technology

- Field-upgradeable media-handling and more connectivity options, including wireless
- Faster print speeds and more outstanding print quality
- New architecture for powerful processing designed to evolve with technology
