

Boost your productivity

With the industry's first Wi-Fi™ 6 mobile printers—the ZQ6 Series

Versatile mobile printing meets advanced connectivity in the ZQ6 Series, the first Wi-Fi 6 (802.11ax) printer on the market. These powerful printers make the most of your Wi-Fi 6 network and offer more benefits for improved efficiency and security across operations. The ZQ6 Series Wi-Fi 6 option offers:

**Best-in-class
WPA3 security**

**Faster and more
reliable connections**

**Enhanced
roaming**

**Dual radio with
Bluetooth™ 5.3**

Next-Level Mobility, Security and Flexibility with Wi-Fi 6

- **Protect sensitive data** with advanced encryption
- **Connect faster and more reliably** with higher throughput and lower latency
- **Print anytime, anywhere** with improved roaming capabilities
- **Connect more devices** with higher client density
