

Powerful Performance for Industrial Applications

Advance your operations with the ZT400 Series

Give your teams technology that's as productive as they are. Maintain efficient workflows with the versatile ZT400 Series, built for intuitive use, advanced performance and reliable operation.

Flexible for Fast-Moving Environments

Get printing quickly with backwards compatibility for simple setup and integration

Quickly change settings, see printer status and get support via the large color display

Print at peak with fast first-label-out and best-in-class print speeds

Plan maintenance in advance with onboard analytics

Evolving for Your Future Needs

Tailor to your needs with flexible media-handling and connectivity options*

Enhance productivity and reach sustainability goals with ZeroLiner linerless printing*

Get maximum performance year after year with Zebra DNA™ for Printers

Add RFID printing and encoding for track and trace capabilities

*Factory-or field-installable, see spec sheet for details

Rugged Durability. Powerful Reliability.

Improve your performance with the ZT400

Load Media Easily

Intuitive color-coded media path and side-loading supplies make media and ribbon replacement fast

On-Metal Tagging

Print and encode RFID labels for metal asset tracking*

Connect Your Way

Configure printers with a variety of connectivity options including Ethernet, Serial, USB, dual USB Host, Bluetooth® 4.2 or opt for blazing fast dual-band 802.11ac Wi-Fi® and Bluetooth

Add Features Onsite

Connect a scanner or keyboard with dual USB Host ports and add new features as needed with field-installable linerless, connectivity, media handling and RFID* options

Gain Visibility

See printer status at a glance and manage settings quickly with the 4.3-in., full-color touch display

Improve Print Performance

Choose from two print width options with resolution up to 600 dpi**

Rugged Durability

Print with reliability for years to come with the all-metal frame and enduring printhead to withstand your harsh environments

*Factory- or field-installable, see spec sheet for details **600 dpi is available on the ZT411 model

· Available on the ZT411 only (not available on the 600 dpi model)

Advance your industrial printing with the ZT400 Series
