

ZT400 Series Product Environmental Attributes

Putting Sustainability at the Heart of Our Products

When it comes to creating sustainable products, Zebra is committed. From company-wide global initiatives to the end-to-end product life cycle from manufacturing to retirement, our green initiatives protect the planet—and the people who make and use our products.

A-to-Z sustainable packaging

Our corrugated packaging is 100% curbside recyclable:

- 77.7% biodegradable packaging by weight
- Corrugated cartons contain a minimum of 50% recycled content
- All paper is non-bleached and contains a minimum of 50% recycled content
- All paper inserts are made with FSC Mix certified paper

Eco-friendly attributes¹

- No mercury
- No PFO/PFOAs
- No Latex
- Compliant with global ROHS requirements

Use fewer device types

ZT411 has RFID encoding capability, providing a 2-in-1 true device convergence solution, reducing plastics, electronics as well as cost

Lower consumption of devices, accessories and batteries through maximized life cycles

59.8% of carbon emissions occur in the raw material and manufacturing stages—the fewer devices you use, the more you reduce greenhouse gasses

- Five years of repair and technical support are planned for this product

Additional attributes and certifications

- Optional linerless label support eliminates liner waste and disposal costs
- ISO 14001 Environment Certification
- Waste Electrical and Electronic Equipment (WEEE)

Zebra's Circular Economy provides life-cycle management of products that reduce your overall carbon impact

Takeback Recycling Program

Zebra offers free recycling for selected end of life devices and will provide a certificate of destruction upon request. Conditions apply

Device Buy-Back Program

Your end of life devices may be eligible for a device buy-back, enabling a “green” upgrade to the next generation device

For more information, please visit www.zebra.com/zt400

Sustainability results apply to: ZT411, ZT411 Linerless and ZT411 RFID

1. All electronic products from Zebra may contain other trace amounts of chemicals on the IEC 62474 list of hazardous substances.
